A NEW WAY OF WORKING

MODERN LEADERS know that the success of their business depends on how they invest their time and money.

Having a functional, flexible and vibrant workspace is important for enhancing productivity, attracting and retaining employees and connecting your team to strategic resources.

Flexible workspace at Nairobi Garage gives your business space to grow. Get connected to large networks of similar-minded professionals, to increase your impact and scale.

- A virtual network of 10,000+ entrepreneurs and professionals
- Home to over 150 growth-focused innovative businesses
- Weekly events for members and the wider business community
- Five central locations. Kilimani, Westlands, Karen, Spring Valley and CBD.
